Cone  
1 kg

**Natural Color Card**

**Color Card**

\* Stock Sampling

**INDUSTRIAL FINISHING**

After Knitted process stabilize the panel by steaming or immersing in hot water, cooling then off in water, and softening at 30 degrees using the products of your choice on a delicate-fabrics wash cycle; then it should be given another spin. You may need to accommodate the fabric after spinning; this should be done with a manual steam iron before starting the drying process.

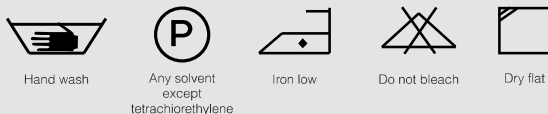

**COLORS AVAILABLE  
MINIMUM QUANTITIES PER COLOR**
